Hard Headed Negro.

A negro living on the farm of Mr.
John Leach was accidentally shot Sun-
day morning while fooling with a pis-
tol. The ball struck him in the center
of the forehead, ranging upward under
the skin to the center of the top of his
head. The ball was extracted by Dr.
Wm. Kenney, of this city, and when
taken out was as flat as if it had been
hammered so in a blacksmith shop. By
having an unusually hard head probably
saved his life.

Little Boy Plays With Powder.

Ira Thompson, little son of Mr. and
Mrs. F. D. Thompson, was severely
burned about face and head Friday
afternoon by explosive of some powder.
Ira and little companion were having a
big time pouring powder into small
piles and then touching it off with
matches. Ira was carrying the bulk of
the explosion in his hat and after the
explosion of one of the piles on the
ground a spark fell into the hat, when
the dangerous explosion occurred, re-
sulting as stated above. It was a nar-
row escape for the little fellow, as he
came near losing his eyesight, and
should teach him and his little friend a
lasting lesson.

jured youth was taken to the residence of
Dr. Stewart, where the wound was dress-
ed. It was thought at first that the
hand would have to be amputated, but
such was not the case. Unless unlook-
ed for complications ensue, young
Franklin will recover. Col. Franklin
has been with his son since the unfor-
